

Sprockler Cookie Policy

At Sprockler, we only use necessary cookies on our website. A cookie is a small amount of data that is stored in the browser of your computer or mobile devices.

Note: There are no third parties that place their marketing cookies when you visit us. Neither do we use analytical cookies.

If you have any further questions about our cookie policy, please do not hesitate to contact us at info@sprockler.com.

Effective: 1st of April, 2021

FUNCTIONAL COOKIES

Functional cookies are cookies that are necessary for our web applications (designer, collector and visualizer) to function properly. These cookies are necessary for the performance of our web applications and are therefore set to 'always active'. These cookies do not affect your privacy because they do not collect any personal data. These cookies also help us remember how you use certain functions and account settings (for example, language or display settings). We do not need permission to place these cookies when you use our web applications.
